THIS IS UNEVALUATED INFORMATION

Approximately one hundred men attached to the KNOJ arrived in Radovljica in the early part of August, as KNOJ border reinforcements in this sector.

Comment: According to available information, to date no KNOJ border units were previously stationed in Radovljica. If the above report is correct in stating that these men are KNOJ border reinforcements, they will very likely be attached to the 49 (4) Battalion of 436 KNOJ Border Regiment. This battalion guards the sector facing Austria from Ljubelj to the Yugoslav-Italian-Austrian border. The headquarters of this battalion is in Zirovnica.
